MR.TIPBOT BY ASTRAL CREDITS - TERMS OF SERVICE

Effective Date: 12/08/2026

Please read these Terms of Service ("Terms") carefully before using Mr.Tipbot ("the Service"). By interacting with or using the Service, you agree to be bound by these terms.

1. EXPERIMENTAL AND MANAGED NATURE OF THE SERVICE

Mr.Tipbot is an experimental utility for routing digital assets (SGB, FLR, ERC-20 tokens). It uses a deterministic wallet architecture, deriving keys on-the-fly using a master root, acting as a managed utility interface. It is experimental, and users accept all associated risks.

2. RISK OF CO-DEPENDENT SECURITY AND USER OPSEC

Because your wallet is linked to your Discord identity, the security of your temporary tipping balance is directly tied to the security of your personal Discord account. You are solely responsible for securing your Discord account. We are not liable for losses due to compromised accounts or social engineering.

3. MICRO-TIPPING LIMITATION AND REGULAR WITHDRAWALS

The Service is intended solely for micro-tipping and community rewards, not for long-term storage or high-value assets. Users are strictly advised to maintain only minimal balances and regularly withdraw funds to their own self-custody wallets.

4. RISK OF LOSS, DISRUPTIONS, AND PLATFORM DEPENDENCY

Using the Service involves inherent risks of operational loss. We are not liable for asset loss, service termination, or API issues, as access depends on external network nodes and Discord's platform.

5. NO FINANCIAL OR LEGAL ADVICE

All data, price calculations, and metrics are for informational purposes only. We provide no financial or legal advice.

6. COMPLIANCE WITH LOCAL LAWS

Users are responsible for ensuring that their interactions comply with local regulations and tax laws.

7. LIMITATION OF LIABILITY AND RELEASE

By using Mr.Tipbot, you hold the creators, developers, and administrators harmless from any claims, damages, or asset losses arising from the use of the Service.

8. AMENDMENTS TO TERMS

We reserve the right to modify these Terms, with updates becoming effective immediately upon posting. Continued use of the bot constitutes acceptance of the new terms.
